

# GOZO GIRL

PEARL 50

MALTA

A 2007 Pearl 50 built by Pearl Motor Yachts. Similar to the Sunseeker Manhattan 50 and Princess 50 in size however offering a totally unique design. This beautiful example of the ever popular Pearl model is maintained to an extremely very high

standard by her owner. As the vessel was an ex-show boat for Pearl Motor Yachts she was fitted with every conceivable extra to show the boat in her full beauty, air conditioning, up graded generator and hydraulic lifting platform to name a few. With

sharp strong lines and practical layout that only Pearl Motor Yachts use, she has a raised cockpit designed to house the master cabin that also provides an excellent raised social cockpit area aft like no other flybridge motor Yacht in the World. Fitted

with Volvo Penta D9 575hp engines with only 255 hours is an example of the easy life this Pearl 50 Yacht has had. With a full service history and no expense spared on maintenance.
