## SUNSEEKER MANHATTAN 70

MALTA

The Sunseeker Manhattan 70 has three entertaining areas – the main saloon with a dining area for eight guests, the spacious aft cockpit and the sizeable flybridge. The saloon is equipped with a 42” rise and fall LCD TV, Boss surround sound system, DVD/C-D/Radio and ipod docking so

you can enjoy your own choice of music on board.

There are four attractive cabins – a master aft cabin, one forward VIP guest cabin, one starboard twin and one port bunk cabin.

A large aft cockpit makes an ideal

area for socializing and relaxing with your guests.

The flybridge is always a favourite spot to spend time together and the abundance of seats plus a table provides a great casual area for drinks and refreshments.

A wide range of water toys are at your disposal including jet skis, diving equipment (without tanks) and seabob, ensuring that you and your guests make the most of the beautiful surroundings.
